Personal.
Mr. N. B. Frohlichstein, of Mobile,
Ala., writes: I take great pleasure in
recommending Dr. King's New Dis-
covery for Consumption, having used it
for a severe attack of Bronchitis and
Catarrh. It gave me instant relief and
entirely cured me and I have not been
afflicted since. I also beg to state that
I had tried other remedies with no good
result. Have also used Electric Bitters
and Dr. King's New Life Pills, both of
which I can recommend.
Dr. King's New Discovery for Con-
sumption, Coughs and Colds, is sold at
a positive guarantee.

New York Stock Exchange.

New York, April 7.—The stock market was
on a lower level this morning than final
figures of yesterday, and though there was
no reaction, gains were again lost at the
close. London was a seller at the opening,
and first sales were made at concessions
from last evening's prices of from ½ to ¾
per cent. Subsequent buying by commis-
sion houses turned the market upward with
coolers leading advance, which, however,
was confined to fractional amounts only.
The demand was soon satisfied and prices
receded. The close was heavy and weak
at about the lowest prices.
Governments, dull and steady.

Petroleum.

New York, April 6.—The petroleum
market was quiet to-day, opening firm at
78½, and after a slight decline the market
became strong and advanced to 79½. A
slight reaction then occurred, and the close
was steady at 79½. Consolidated Exchange
sales, 575,000 barrels, opening at 78½;
highest 79½; lowest 78; closing at 79½.
New York Stock Exchange sales were,
